Step 1. Install the app:

- To install the **Mobile app**, scan the corresponding QR code:

- to install the **Desktop app** or go to the **Web app**, go to <https://express.ms/download/> and follow the recommendations on the website:

Step 2. Perform registration on the regional server:

A four-step registration flow diagram. Step 1: 'Select login method' with options: QR code, Phone and credentials, Corporate email, and Corporate server address. Step 2: 'Phone and credentials' with a country dropdown (Russia), a phone number input field (+7 900 000-00-00), and a 'Next' button. Step 3: 'Confirmation code' with a verification code input field and a 'Next' button. Step 4: 'Profile' with a profile picture upload button, a name and surname input field, and a 'Next' button. Arrows connect the steps in sequence.

- Click "Phone and credentials".
- Select your country, enter your phone number and click "Next".
- Enter the code received in the SMS message.
- Select your profile avatar and enter a name that will be shown to other users. Click "Next".

Step 3. Sign in to the corporate server:
